THE EIGHTH SERIES
OF SPURGEON'S SERMONS.
Vol. 12mo. Price \$1 50.

The immense demand for Spurgeon's Sermons in this country (over 200,000 volumes having been sold) will secure for this new volume an enthusiastic reception.

This series will contain Spurgeon's noted discourse on "Baptismal Regeneration," lately preached, and of which 160,000 copies have been sold in England; also, the scarcely noticed discourses on the "Prayer Book" and "Infant Baptism."

"The Presbyter" says of Spurgeon's Sermons:

"Of all sermons that we know, those of Spurgeon are the most readable. They are full of doctrine, vigorous in style, full of wit, and in religion, as in other subjects, go to the very heart of religious experience, and edify and comfort the true believer; while they are pungent and awakening in appeals to the impudent."
